Gentlemen:

I am against the rezoning of the ground between Ethel, Poinsett and Goshen Road. The ground is not suited to Multiple Residential or Light Industrial. After the road is cut through, there will not be enough ground left for any purpose except one family residential.

We have enough trouble as it is with our sewers and the traffic without giving us another burden of increased taxes, increased traffic and, yes, let's face it - an increase in crime. We have seen this happen countless

Gentlemen:

We wish to state that we are against changing the zoning of the ground between Poinsette Dr. and Ethel Ave. on both Tract "A" and Tract "B". These should be single family residential plots. We had enough trouble when the Gateway Shopping Center was built. We would like to keep this strictly residential, especially since there is going to be an Industrial Park on Goshen Avenue near I 69. If industry wants to build - let them go there.

We would appear in person but we are disabled. yours truly,

the undersigned oppose Bill No. Z-76 -07-15 for the following reasons:

1. Rezoning the said portion of land from single family residential to light industrial would lower our property values.
2. Putting multiple residences in the Tract B parcel would create more traffic and would make an already bad situation worse.
3. People would trespass on private property.
4. Our privacy would be gone as people would be coming and going at all hours.
5. The children of the neighborhood would be subjected to many strangers.
6. The litter would increase.
